

SENIOR VICE PRESIDENT, QUALITY AND COMPLIANCE

The Senior Vice President of Quality and Compliance is a key member of the leadership team, a trusted advisor, subject matter expert and standard-bearer for compliance and ethics. Reporting directly to the CEO, the SVP has the authority and independence to effectively implement the compliance program, including direct unobstructed access to all SBHS Boards and Committees and the full support of senior management and Board members. This is an excellent opportunity to make a positive and impactful difference in the lives of the individuals we support. The position also oversees the Training department and contract administration, and serves as Privacy Officer.

RESPONSIBILITIES:

The successful candidate will have a track record of delivering organization-wide results in the following areas:

- Developing and overseeing quality and compliance monitoring systems to measure compliance with organizational standards, contractual obligations, state and federal regulations, accreditation requirements and grant program requirements;
- Compliance auditing, including completion of internal audits and preparing for external audits;
- Development and administration of policy and procedure throughout the organization;
- Oversight of all QI initiatives and policies, including planning, development, implementation
- Providing quality assurance/improvement focused technical assistance and subject matter expertise with regard to EHR and other process improvement initiatives,;
- Leading committees to continually monitor and track improvement initiatives; facilitates committee meetings and oversees creation of agendas and minutes;
- Establishing objectives of monitoring and evaluation outcomes; collecting KPI data and applying appropriate techniques in monitoring and evaluation outcomes;
- Analyzing data, generating reports, identifying opportunities for improvement; developing program-specific quality improvement plans and corrective action plans as applicable;

- Representing the organization in the capacity of Ombudsman as required in situations involving dissatisfaction with services;
- Implementing internal and state reportable incident report systems, and completes/analyzes incident reporting data;
- Overseeing investigations of abuse, neglect, exploitation or compliance-related misconduct;
- Supervising safety and clinical risk management activities; occupational health reporting and workers compensation
- Supporting the Compliance and Ethics plan and monitoring of reporting mechanisms, including compliance hotline

EDUCATION, KNOWLEDGE, SKILL & ABILITY:

- This leader must be a professional of the highest ethical standards, with deep knowledge and understanding of government requirements for compliance programs, including but not limited to Medicare, Medicaid, OIG, CMS, HHS, DMHAS, substance use regulations, DDD and DCF.
- They must possess knowledge of and experience with CQI tools and techniques, data analytics, and EHR systems.
- The ideal candidate will have a Bachelor's Degree (Masters Degree preferred) and 10 years' experience in a quality compliance/assurance role with a healthcare or social services organization in a quality compliance/assurance role (including supervisory experience) and passion for mission-driven work.

This is an ON SITE role based in Ewing, New Jersey. Must have a valid driver's license in the state of residence, and reliable transportation for occasional local travel.
